

# ARGYLE COURT

CHELSEA

## THE LOCATION

Nestled in the bayside suburb of Chelsea just moments from the award-winning Bicentennial Park is our 45-bed ageing-in-place home, Argyle Court.

Located close to leafy bushland, walking tracks and the Edithvale-Seaford wetlands, Chelsea is known for its prolific birdlife. There is a small shopping centre nearby on Thames Promenade and a shopping precinct in Chelsea.

Argyle Court is a friendly, homely establishment where residents, staff and visitors mingle, form friendships and enjoy close ties with the local community. We have private, secure outdoor courtyard areas where residents can sit, relax and enjoy the fresh air.

Residents can also enjoy chatting in the living room or reading a book from the library in the coffee lounge.

Argyle Court's Garden of Life features raised garden beds, a golf putting green, a children's play area, walking track and sensory garden.

Respite stays are welcome.

## YOUR NEW HOME

All rooms are light and spacious, and residents are encouraged to add personal touches with mementos, photos or furnishings. Rooms are single, comfortable and feature an ensuite bathroom, built in wardrobe with a lockable cupboard, ceiling fan, air conditioning and hydronic heating.

Our friendly staff are here to make each resident's day, every day, as we live our L.I.F.E. Principles: Laugh, Integrity, Focus, Engage. We carefully select our staff on cultural fit and skills, so that they can give the best care and experience to the residents.

Argyle Court features Lifeview's award winning Home2Home (H2H) small house model of care. H2H is a relationship-based model, where multi-skilled staff (housemates), work with the same group of residents, all the time. H2H enables staff to spend more meaningful time within their household, creating better continuity of care and building on already established relationships.
