Rooms are light and spacious, and residents are encouraged to add personal touches with mementos, photos or furnishings. Emerald Glades' rooms are single, comfortable and feature ensuite bathrooms, built in wardrobes with a lockable cupboard, ceiling fan, air conditioning and hydronic heating.

Our friendly staff are here to make each residents' day, every day, as we live our L.I.F.E. Principles: Laugh, Integrity, Focus, Engage. We carefully select our staff on cultural fit and skills, so that they can give the best care and experience to the residents.

Emerald Glades features Lifeview's award winning Home2Home (H2H) small house model of care. H2H is a relationship-based model, where multi-skilled staff (housemates), work with the same group of residents, all the time. H2H enables staff to spend more meaningful time within their household, creating better continuity of care and building on already established relationships.
