YOUR NEW HOME

Rooms are single and well appointed with new ensuite bathrooms, built-in wardrobes with a lockable cupboard, ceiling fans, air conditioning and hydronic heating. Residents are encouraged to add personal touches with mementos, photos or furnishings. The Willows also has a resident laundry, for those who wish to maintain their independence.

Our friendly staff are here to make each resident's day, every day, as we live our L.I.F.E. Principles: Laugh, Integrity, Focus, Engage. We carefully select our staff on cultural fit and skills, so that they can give the best care and experience to the residents.

The Willows features Lifeview's award-winning Home2Home (H2H) small house model of care. H2H is a relationship-based model, where multi-skilled staff (housemates), work with the same group of residents, all the time. H2H enables staff to spend more meaningful time within their household, creating better continuity of care and building on already established relationships.
