### 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Preparation

The consolidated financial statements and notes represent those of Argyle Trust and Controlled Entity (the "Group"). The separate financial statements of the parent entity, Argyle Trust, have not been presented within these financial statements.

The Argyle Trust has elected to adopt the pronouncements AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards - Simplified Disclosure Requirements as issued by the Australian Accounting Standards Board, Australian Accounting Interpretations, and the Aged Care Act 1997. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless otherwise stated.

These financial statements cover The Argyle Trust which is a unit trust, established and domiciled in Australia. The approved provider is Chevron Corporation Pty Ltd.

Chevron Corporation Pty Ltd operates exclusively in the Residential Aged Care sector.

#### Reporting Basis and Conventions

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest Australian dollar.

#### Going Concern Basis

The Group recorded a loss for the year ended 30 June 2022 of \$382,543 (2021: \$262,597 loss).

The Group is in a net current asset deficiency position. This position principally arises due to refundable accommodation deposits (RADs) and accommodation bonds being recorded as a current liability as required under accounting standards. However, in practice, deposits and bonds that are repaid are generally replaced from incoming residents in a short timeframe. The groups net receipt / (repayment) of bonds and deposits over a financial year represents a small portion of the groups total bond and deposit liability. In the year ended 30 Jun 22 the group recorded a net inflow of bonds and deposits (total receipts less total refunds) of \$106,161 (refer to Consolidated Statement of Cash Flows 'Accommodation Bonds'). Therefore it is not anticipated that the accommodation bond and deposit liabilities will cause future cash flow concerns. Additionally, the Group has positive operating cash flow, maintains a minimum liquidity level and has access to undrawn credit facilities.

As at 30 June 2022 the Group had a net asset position of \$4,322,235 (2021: \$2,934,200)

In addition, The Group has a facility of \$10,200,000 (Refer note 16) classified as a current liability. Following reporting date this facility was extended to October 2022.

After making reasonable enquires, the Director has a reasonable expectation that the Group has adequate resources to continue in operational existence for at least twelve months from the date of these financial statements without any intention or necessity to liquidate or wind up operations. Accordingly the financial statements have been prepared on a going concern basis.

Assets and liabilities have been recorded on the basis that the Group will be able to generate sufficient positive cash flows to meet its financial obligations and realise its assets and discharge its liabilities in the normal course of business.

## Notes to the Financial Statements

For the Year Ended 30 June 2022

### 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### **New or amended Accounting Standards and Interpretations adopted**

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

#### *IFRIC Agenda Decision - Configuration or Customisation Costs in a Cloud Computing Arrangement (AASB 138 Intangible Assets)*

The Group has adopted the IFRIC Agenda Decision from 1 July 2020. The Agenda Decision provides clarification on the elements of expenditure that meet the definition of an Intangible Asset as defined by AASB 138 Intangible Assets. There was no material impact on the Trust as a result of the adoption of the AFRIC Agenda Decision.

#### **Accounting Policies**

##### **a) Principles of Consolidation**

The consolidated financial statements comprise the financial statements of The Argyle Trust and its subsidiaries (as outlined in note 22) as at 30 June each year. The financial statements of the subsidiaries are prepared for the same reporting period as the parent company, using consistent accounting policies. In preparing the consolidated financial statements all intercompany balances and transactions, income and expenses and profit and losses resulting from intra-group transactions have been eliminated in full.

Subsidiaries are fully consolidated from the date on which control is transferred to the group and cease to be consolidated from the date on which control is transferred out of the group. Investments in subsidiaries held by the Argyle Trust are accounted for at cost in the separate financial statements of the parent entity less any impairment charges.

##### **b) Income tax**

Under current legislation, the trust is not fully liable for income tax provided its taxable income is fully distributed to beneficiaries.

##### **c) Revenue**

The group recognises revenue from aged care services over time as performance obligations are satisfied which is as the services are rendered, primarily on a daily or monthly basis. Revenue arises from discretionary and nondiscretionary services, as agreed in a single contract with the resident.

#### **Government Contributions - Aged Care**

Government revenue reflects the Group's entitlement to revenue from the Australian Government based upon the specific care and accommodation needs of the individual residents. Government revenue comprises of basic subsidy amounts calculated in accordance with the Aged Care Funding Instrument ('ACFI'), accommodation supplements, funding for short-term 'respite' residents and other Government incomes. Revenue is recognised over time as services are provided and performance obligations fulfilled. Funding claims are submitted/updated daily and Government revenue is usually payable within approximately one month of services having been performed.

#### **Resident and Client Fees - Aged Care**

Residents are charged a basic daily fee as a contribution to the provision of care, daily living and accommodation. The quantum of resident/client basic daily fees is regulated by the Government and typically increases in March and September each year. Resident/client basic daily fee revenue is recognised over time as services are provided and performance obligations fulfilled. Residents/clients are invoiced on a monthly basis and revenue is usually payable within 30 days. Other resident/client revenue represents other fees charged to residents/clients in respect of care and accommodation services provided by the Group and includes means tested care fees, Daily Accommodation Payment (DAP)/Daily Accommodation Contribution (DAC) revenue, additional services revenue and other income. Other resident/client revenue is recognised over time as services are provided and performance obligations fulfilled. Residents/clients are invoiced on a monthly basis and revenue is usually payable within 30 days.

#### **Other Operating Revenue - Aged Care**

For residential aged care accommodation arrangements where the resident has elected to pay a Refundable Accommodation Deposit ('RAD') or Accommodation Bonds (prior to July 2014), the Group receives a financing benefit, being non-cash consideration, in the form of an interest free loan. The fair value of this non-cash consideration is required, under AASB 16 and AASB 9 to be recognised as rental income (to reflect the resident's occupancy of the room) and corresponding interest expense (to record the financial liability associated with RADs and bonds at fair value) with no net impact on profit or loss. Where residents have elected to pay a DAP, the DAP is recognised as resident/client fees as disclosed above. This is calculated based on average RAD / accommodation bond balances, excluding any RADs/accommodation bonds awaiting refund/probate divided by the Maximum Permissible Interest Rate (MPIR), which is a Commonwealth Government set interest rate used to calculate the Daily Accommodation Payment (DAP) to applicable residents.

#### **Rental Income**

The Group earns rental income from tenants (both related party and other) under operating leases with rentals payable monthly. Lease payments for some contracts include CPI increases, but there are no other variable lease payments that depend on an index or rate. Where considered necessary to reduce credit risk, the group may obtain bank guarantees for the term of the lease.

#### **Interest Revenue**

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

#### **Other Revenue**

Other revenue is recognised when performance obligations are fulfilled or when it is received or when the right to receive payment if performance obligations do not exist.

##### **d) Cash and Cash Equivalents**

Cash and cash equivalents included cash on hand, in banks and deposits at call.

##### **e) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of GST except, where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**f) Property, Plant & Equipment**

Property, Plant and equipment are measured on the cost basis, less accumulated depreciation. The carrying amount of property, plant and equipment is reviewed annually by the director to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

**Land & Buildings**

Land and Buildings are stated at cost less where applicable, any accumulated depreciation or amortisation and impairment losses.

**Depreciation**

The depreciable amount of all fixed assets are depreciated on a straight line basis over their useful lives commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. Land is not depreciated.

The depreciation rates used for each class of depreciable assets are:

| Class of Fixed Asset   | Depreciation Rate |
|------------------------|-------------------|
| Leasehold Improvements | 10% - 33%         |
| Plant & Equipment      | 10% - 33%         |
| Buildings              | 2.50%             |

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Profit or Loss & Other Comprehensive Income.

**g) Impairment of Assets**

At each reporting date, the Group reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less cost to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to Profit or Loss and Other Comprehensive Income. Impairment testing is performed annually for intangible assets with indefinite lives, intangible assets with definite lives are tested if there is an indication of impairment in accordance with AASB 136 impairment of assets.

Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

**h) AASB 16 - 'Leases'**

*Right of Use Assets*

The Trust recognises a right-of-use asset at the commencement of the lease (that is the date the asset becomes available for use). Right of Use Assets are measured at cost, less any accumulated depreciation and adjusted for any subsequent remeasurement of the lease liability. Unless the Trust is reasonably certain to obtain ownership of the leased asset at the end of the lease term the right-of-use asset is depreciated on a straight line basis over the lease term.

*Lease Liabilities*

At the commencement date of the lease, the Group measures lease liabilities as equal to the net present value of lease payments to be made over the life of the lease. Lease payments include fixed payments and variable payments which depend on an index or a rate.

To calculate the present value of current and future lease payments, the trustee elected to use an incremental borrowing rate at and from the commencement of the lease. This rate is equivalent to the rate provided by financiers for funding of other long term assets. This approach was taken as an interest rate implicit in the lease was not readily determinable. After the lease commencement date the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

Over the course of the lease the carrying amount of the lease liability is re-measured if there is a modification, a re-assessment of future lease payments, change in the lease term or reassessment of probability of exercising options to renew over the life of the lease.

**Significant Accounting Judgements and Assumptions**

In determining the lease term used to ascertain lease payments the trustee considers all facts and circumstances that create an economic benefit to exercise an extension option.

The following judgements have been made:

In the Director's judgement it is reasonably certain that all renewal options will be exercised to extend the lease term until the expiration of the lease. Accordingly renewal periods have been included in the term of the lease for calculating the lease liability.

In the absence of a readily determinable interest rate implicit in the lease the trustee has applied an incremental borrowing rate (IBR) being a weighted average of the interest rate the lessee would have to pay to fund long term assets on an unsecured and secured commercial basis. This has been measured with reference to the actual interest rate paid on secured commercial borrowings (see note 16) and an estimated interest rate on unsecured borrowings given the trusts expected credit rating. These rates have been applied at the commencement of the lease and at reporting date.

Increases in future lease payments have been estimated based on long term CPI.

| At reporting date:                            | Assumption |
|---|------------|
| Trusts Incremental Borrowing Rate (IBR)       | 3.23%      |
| Trust's long term growth rate (long-term CPI) | 1.69%      |
| Expiration date                               | Feb-31     |

Impact on the profit and loss during the 2022 financial year has been noted at note 21.

At reporting date the carrying value of the lease liability and right-of-use asset have been measured taking into consideration all circumstances which are within the control of the Trust and all information which is available to the Director with respect to current and future lease payments.

## Notes to the Financial Statements

For the Year Ended 30 June 2022

### 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### i) Financial Instruments

##### *Equity instruments at fair value through other comprehensive income (Equity FVTOCI)*

Investments in equity instruments that are not held for trading are eligible for an irrevocable election at inception to be measured at FVTOCI. Under this category, subsequent movements in fair value are recognised in other comprehensive income and are never reclassified to profit or loss. Dividend income is taken to profit or loss unless the dividend clearly represents return of capital.

The Group's investment in Smartz A.G is considered an investment in an equity instrument at fair value through other comprehensive income (Equity FVTOCI). During the year shares previously held in Simavita Limited were exchanged for shares in Smartz A.G - a private company registered in Switzerland. The Trustee has calculate the instruments fair value using the most recent valuation of the company in August 2022.

##### *Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

The Trust's investment in convertible notes issued by Simavita Ltd is considered a held to maturity investment in a debt instrument. At reporting date the asset was recognised at amortised cost.

The Trust's investment in convertible notes issued by Cann Group Ltd is considered a held to maturity investment in a debt instrument. At reporting date the asset was recognised at amortised cost.

##### *Financial Liabilities*

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

##### *Impairment of financial assets*

The Expected Credit Loss (ECL) impairment model is forward looking and depends on whether there has been a significant increase in credit risk for loan receivables since initial recognition. Where there is no significant increase in credit risk, impairment is based on possible loss events for the next 12 months. Where there is a significant increase in credit risk impairment is based on possible loss events for the lives of the loans.

At reporting date the groups investments in investments measured at amortised cost were reviewed for impairment. All investments at amortised cost were not impaired as at 30 June 2022.

##### *Reconciliation of financial instruments measured in accordance with AASB 9*

The table below shows the classification of each class of financial asset and financial liability under AASB 9 as at 30 June 2022.

|                                    | AASB 9 classification | AASB 9 carrying amount |
|------------------------------------|-----------------------|------------------------|
| <b>Financial assets</b>            |                       |                        |
| Trade and other receivables        | Amortised cost        | 15,074,204             |
| Unlisted shares                    | Equity FVTOCI         | 3,464,673              |
| Convertible notes held to maturity | Amortised cost        | -                      |
| Other receivables                  | Amortised cost        | 369,062                |
| <b>Financial liabilities</b>       |                       |                        |
| Trade and other payables           | Amortised cost        | 20,520,189             |

#### j) Accommodation Bonds and Refundable Accommodation Deposits

Provision is made for the group's liability to repay resident entry bonds & Refundable Accommodation Deposits. Bonds and Refundable Accommodation Deposits paid by residents less any retention amounts payable to the Group are payable to residents when they leave the facility or their estate upon the grant of probate. Bonds and Refundable Accommodation Deposits are measured at their nominal amounts.

#### k) Accommodation Bonds and Refundable Accommodation Deposits

Effective 1 October 2011 clearer and stronger arrangements exist regarding the use of accommodation bonds and refundable accommodation Deposits. These changes limit the permitted uses for accommodation bonds and Refundable Accommodation Deposit such that approved providers may only use accommodation bonds and refundable accommodation Deposits for capital works, investment in particular financial products, loans for these purposes and refunding accommodation bonds and Refundable Accommodation Deposits. Effective 1st July 2014, accommodation bonds are known as Refundable Accommodation Deposits ('RAD').

#### l) Employee Benefits

Provision is made for the Group's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Long Service Leave is accrued pro rata in respect of all employees based on the probability of the employee reaching eligibility. Probability of reaching eligibility has been calculated based on eight years historical data.

#### m) Related Parties

The director of the entity controls Residential Aged Services Pty Ltd ("RAS"). RAS provides management services to the entity. Amounts paid or payable to RAS are disclosed in the financial statements.

Total amounts charged by RAS are set out in an arms length Management Agreement and include (see note 22b):

- 1) A fixed management fee per bed operated by the Trust; and
- 2) Recovery of corporate costs relating to annual financial management, sales and marketing, clinical governance and prudential compliance services overseen by the executive and finance teams in RAS.

The director also controls a number of other entities that operate in the aged care sector. Loans have been made between the entity and RAS or the other as controlled by this director and are disclosed in the notes to the accounts.

The Argyle Trust provides no compensation to its director or other key management personnel. All such compensation is provided by RAS.

## Notes to the Financial Statements

For the Year Ended 30 June 2022

### 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### n) Intangibles

##### *Bed Licences*

Bed licences were initially recognised at fair value upon issue from the Federal Government which is deemed to represent cost under AASB 138 Intangible Assets. In previous periods the group considered the bed licenses to have an indefinite life and as such did not amortise them. In Sep-21 the Commonwealth Government confirmed that bed license restrictions and Aged Care Approval Rounds ("ACAR") would be abolished. From 1 July 2024 residential aged care places will be assigned directly to senior Australians not to approved providers. The bed license are now considered to have a finite life ending 1 July 2024 and accordingly are now being amortised.

The change from an indefinite life to a finite life is an impairment indicator which triggered an impairment assessment during the year. Where the carrying amount exceeds the value of the expected future benefits, the difference is charged to profit and loss. Impairment losses can be reversed in subsequent periods to the extent previously recognised. The recoverable amount of bed licenses represents the higher of the asset's fair value less costs to sell and its value in use. Judgements and estimates have been made in determining fair value and value in use of bed licenses.

#### o) Investments in Associates

Associates are those entities over which the trust is able to exert significant influence but which are not subsidiaries. The trust holds 2,600,000 units in Exotic Marigold Prahra Trust, constituting 28.88% of total unit holdings and therefore investment is considered an investment in associates. In accordance with AASB 128 investment in associates and Joint ventures, the trust is considered to have significant influence over the operations, strategy and direction of Exotic Marigold Prahra trust due to the common directorship of Peter Reilly who is a director on the board of all other entities that are unit holders in the Exotic Marigold Prahra Trust.

Investments in Associates are accounted for using the equity method

Any goodwill or fair value adjustment attributable to the Trust's share in the associate is not recognised separately and is included in the amount recognised as investment.

The carrying amount of the investment in associates is increased or decreased to recognise the Group's share of the profit or loss and other comprehensive income of the associate adjusted where necessary to ensure consistency with the accounting policies of the trust.

#### p) Investments in Joint Arrangements

A joint venture is an arrangement that the Group controls jointly with one or more other investors, and over which the Group has rights to a share of the arrangement's net assets rather than direct rights to underlying assets and obligations for underlying liabilities. The Trust's investment in the Maview Property Trust, constituting 50% of total unit holdings, is considered an investment in a joint venture. The venturers have a contractual obligation establishing joint control over the operations, strategy and direction of the Maview Property Trust. Joint control exists with one other partner, the Maeven Property Trust (see 9b).

Investments in joint ventures are accounted for using the equity method.

The carrying amount of the investment in joint ventures is increased or decreased to recognise the Group's share of the profit or loss and other comprehensive income of the joint venture, adjusted where necessary to ensure consistency with the accounting policies of the Group.

#### q) Critical Accounting Estimates and Judgements

The trustees evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the trust.

#### r) Financial Borrowings

Loans and borrowings are initially recognised at the fair value of the consideration received, net of transaction costs. They are subsequently remeasured at amortised cost using the effective interest method.

#### s) Finance costs

Finance costs attributable to qualifying assets are capitalised as part of the asset. All other finance costs are expensed in the period in which they are incurred.

#### t) Critical Accounting Estimates and Judgements

##### *Key estimates — Provisions*

A provision has been calculated for employee benefits relating to long service leave for employees. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based upon seven years of historical data. The measurement and recognition criteria for employee benefits has been included in Note 14.

##### *Key estimates — Impairment*

The Group assesses impairment at each reporting date by evaluating conditions specific to the Group that may lead to impairment of assets. Where an impairment trigger exists, and for unamortised intangibles, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

##### *Key estimate – Coronavirus (COVID-19)*

In March 2020, the World Health Organisation declared the outbreak of a novel coronavirus (COVID-19) as a pandemic. During the 2022 year the Omicron variant had a significant impact and there were further outbreaks in Victoria which is the State in which the Argyle Trust operates. The spread of COVID-19 has caused significant volatility in Australia and International markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the Australia and international economies. The longer term impacts of COVID-19 on the operations of the Trust remain uncertain and cannot be quantified at this time.

The financial statements were authorised for issue by a resolution of the director of the trustee company on 27th October 2022

## Notes to the Financial Statements

For the Year Ended 30 June 2022

|  | Note  | Consolidated Group<br>2022<br>\$ | 2021<br>\$       |
|--|-------|----------------------------------|------------------|
| <b>2 REVENUE</b>                                       |       |                                  |                  |
| Commonwealth Funding                                   |       | 3,716,918                        | 3,390,258        |

#### Segment Note & Reconciliation of Profit and Loss to underlying EBITDA

The group operates exclusively in the Residential Aged Care sector.

The operating result summarised below is reported in a manner consistent with the internal reporting provided to the Director and Chief Executive Office, to assess the operational performance of the Group.

Performance of the operating segment is measured by EBITDA adjusted to exclude one-off items ('Underlying EBITDA'). Underlying EBITDA represents a non-IFRS earnings measure. A reconciliation of net profit after income tax to Underlying EBITDA is set out below:

| Reconciliation of Profit to Operating Segment Performance | Note   | Group<br>2022         | Group<br>2021         |
|---|--------|-----------------------|-----------------------|
| Net Profit after income tax for the period                |        | <b>(382,543)</b>      | <b>(262,597)</b>      |
| <b>Add back / (deduct):</b>                               |        |                       |                       |
| • Imputed Income on RADs and bonds                        | 2      | (319,567)             | (309,980)             |
| • Depreciation of Property, Plant and Equipment           | 3      | 515,465               | 511,504               |
| • Depreciation of Right to Use Asset (RuA)                | 3      | 390,611               | 390,667               |

| Total Other Current Assets                            |     | <u>369,062</u> | <u>355,268</u> |

a) On the 10 May 2017 the Trust executed an agreement with the vendor (Kameel Pty Ltd) to purchase 135 Duff St Cranbourne at a total purchase price of \$7,000,000. A deposit of \$350,000 was paid in May 2017. At reporting date the vendor and the Trust had not agreed a settlement date. The balance of \$6,650,000 is payable at settlement.

At settlement all the rights and benefits held by Kameel Pty Ltd (Landlord) under the existing lease will be assigned to The Argyle Trust. The tenant under the existing lease is the Director related party Willow Wood Cranbourne Aged Services Trust. At reporting date no variation to the lease had been made to set out the monthly rental amounts payable to The Argyle Trust following settlement

|          | The group had no capital commitments as at 30 Jun 2022                           |                    |                   |
| <b>8</b> | <b>INTANGIBLE ASSETS</b>   |                    |                   |
|          | Bed Licences at Cost   | 1,040,000          | 1,040,000         |
|          | Accumulated Amortisation   | <u>(283,636)</u>   | <u>-</u>          |
|          | Closing Carrying Value   | <u>756,364</u>     | <u>1,040,000</u>  |

In previous periods, bed licenses were assessed as having an indefinite useful life because they were issued for an indefinite period and could be expected to be perpetually renewed.

In September 2021, The Department of Health and Aged Care (DHAC) confirmed the Australian governments decision to discontinue the Aged Care Approval Rounds (ACAR). From 1 July 2024 residential aged care places will be assigned directly to senior Australians not to approved providers. In accordance with Accounting Standards and guidelines issues by the Australian Securities and Investment Commission ("ASIC") and the Trustees current understanding of the legislation, the group has reassessed the useful life of its bed licenses.

The Group has commenced amortising the bed licenses from 1 October 2021 on a straight line basis over the remaining economic life to 1 July 2024. In the year to 30 June 2022 this resulted in an amortisation expense in the profit and loss of \$283,636, with no impact on the cash flows of the Group. A reconciliation noting amortisation of the bed licenses value is provided below.

## Notes to the Financial Statements

For the Year Ended 30 June 2022

|                                       | Note | Consolidated Group<br>2022<br>\$ | 2021<br>\$       |
|---------------------------------------|------|----------------------------------|------------------|
| <b>Reconciliation of Bed licences</b> |      |                                  |                  |
| Opening Balance                       |      | 1,040,000                        | 1,040,000        |
| Amortisation of Bed Licences          |      | <u>(283,636)</u>                 | <u>-</u>         |
| Closing Balance                       |      | <u>756,364</u>                   | <u>1,040,000</u> |

At the end of the reporting period the bed licences were tested for impairment against their carrying amount

Value in use of the bed licences was determined by discounting the future cash flows generated from the continuing use. Cash flows were discounted over a range of five (5) years, before a terminal value was calculated.

Other assumptions are summarised below:

| Assumption           | %    | Description  |
|----------------------|------|--|
| Discount rate        | 9.59 | After tax discount rate based on the Trusts weighted average cost of capital ("WACC"), used in discounting projected future cash flows |
| Growth rate          | 2.5  | Growth rate p.a for all revenues and expenses including employment expenses  |
| Terminal growth rate | 2.5  | Perpetual growth rate following forecast period  |

Based on the results of the impairment test, no impairment of bed licences was recognised in the 2022 year.

| Closing Carrying Value                     |      | <u>1,570,080</u> | <u>1,759,670</u> |

|  |      |                  |                  |
|--|------|------------------|------------------|
| b) Investment in The Maview Property Trust                           | 1(p) | 300              | 300              |
| Carrying Amount of Investments Accounted For Using The Equity Method |      | <u>1,570,380</u> | <u>1,759,970</u> |

On 1 July 2017 the Trust acquired an additional 1,600,000 units in the Exotic Marigold Prahran Trust (increasing their unitholding to 28.89%).

In May 2016 the Trust acquired units in The Maview Property Trust. The Maview Property Trust has been established to develop a property located at 161 - 169 Jells Rd Wheelers Hill, with the intention of leasing for the purposes of providing residential aged care places. The Trust has invested as an equal partner with an external investor and holds a 50% equity interest in the Property Trust (see note 22a).

In May 2017 the Trust acquired shares in Simavita Ltd (ASX listed company: SVA). During the 2021 year shareholders resolved to delist the company from the ASX. Following voluntary delisting in September 2021 large shareholders including the Group were provided with an offer to exchange their shares held in Simavita Ltd for shares held in Smartz A.G. (a private company registered in Switzerland). The Group took up the offer and exchanged all Simavita shares for shares in Smartz A.G at the offered exchange ratio [1 Smartz share for every 200 Simavita shares held was exchanged (1:200)].

- a) In August 2022 Smartz A.G announced a capital raising via convertible notes. A pre-money valuation of the company was performed and incorporated into the note agreement as the basis for the conversion price of the notes. At reporting date the fair value of the Trust's investment in Smartz A.G was measured on the basis of the conversion price in the note agreement.

| Total Financial Liabilities  |       | <u>10,200,000</u>  | <u>11,200,000</u> |

On the 18th October 2019 the Trust agreed to refinance a loan owing to the National Australia Bank (NAB) in relation to the development at Prahran. The facility was originally taken out by the Exotic Marigold Prahran Trust in May 2015 with the proceeds used to purchase non-residential land and buildings in Prahran for a future aged care development. Interest rate on the loan is the BBSW rate (plus 2% margin) - at reporting date 2.7620%. Interest rate is floating and is adjusted quarterly.

Security has been provided in the form of a charge over all the present and future rights, property and undertaking of the Trust.

Additional security has been provided by related parties in the form of a registered mortgage over the property held by the Exotic Marigold Prahran trust located at 42 Charles Street Prahran VIC, and 70-88 Greville Street Prahran Vic. Further security has also been provided by other members of the Lifeview Group.

The Trust is required to make principal repayments of \$200,000 per quarter. Accordingly \$800,000 will be repaid to the National Australia Bank within the 12 months following reporting date.

### 17 ECONOMIC DEPENDENCE

The Argyle Trust is dependent upon funding provided by the Commonwealth Government and Residents (including accommodation bonds and deposits).

### 18 CONTINGENT LIABILITIES

On 14 October 2019 The Trust agreed to provide a guarantee in respect of a loan owed by Residential Aged Services Nominees Pty Ltd to its financiers (National Australia Bank). As at 30 June 2022 the amount Residential Aged Services Nominees Pty Ltd owed to National Australia Bank was \$5,145,000.

| Closing Carrying Value  |          | <u>3,404,001</u>                 | <u>3,668,596</u>             |

The following table is provided to assist with an understanding of the impact of the adoption of AASB 16 on the profit and loss for the period:

| <b>Impact on Net Profit</b>                                 |  | <b>2022</b>   | <b>2021</b>   |
|---|--|---------------|---------------|
|   |  | <b>\$</b>     | <b>\$</b>     |
| Depreciation expense of right-of-use assets, now recognised |  | 390,611       | 390,667       |
| Interest expense on lease liabilities, now recognised       |  | 122,010       | 132,057       |
| Lease payments under AASB 116                               |  | (446,137)     | (439,417)     |
| Net impact on the Profit and Loss                           |  | <u>66,484</u> | <u>83,307</u> |

| <b>Lease Liabilities</b>                   |  | <b>2022</b>      | <b>2021</b>      |
|--|--|------------------|------------------|
|  |  | <b>\$</b>        | <b>\$</b>        |
| a) Lease Liability - Current Liability     |  | 344,091          | 365,791          |
| b) Lease Liability - Non-current Liability |  | 3,324,505        | 3,591,940        |
| Total Lease Liabilities                    |  | <u>3,668,596</u> | <u>3,957,731</u> |

The current term of the property lease expires on 9 March 2026, with 1 further five year options to extend to February 2031.

The Director confirmed it is reasonably certain the lessee would exercise the option to renew to the the expiration of the lease in Feb 2031.

Accordingly at reporting date lease payments have been capitalised to Feb 2031 at the lessee's IBR of 3.23% with an assumed long term growth rate in future lease payments of 1.69% (long-term CPI).

## Notes to the Financial Statements

For the Year Ended 30 June 2022

### 23 MOVEMENT IN UNITHOLDERS FUNDS

|                                      | 2022<br>\$ | 2021<br>\$ |
|--------------------------------------|------------|------------|
| Opening Balance of Unitholders Funds | 3,697,643  | 3,697,643  |
| Units Issued                         | -          | -          |
| Closing Balance of Unitholders Funds | 3,697,643  | 3,697,643  |

### 24 REMUNERATION OF AUDITORS

During the financial year the following fees were paid or payable for services provided by Grant Thornton Audit Pty Ltd, the auditor of the group

|  | 2022<br>\$ | 2021<br>\$ |
|--|------------|------------|
| <i>Audit services - Grant Thornton Audit Pty Ltd</i> |            |            |
| Audit of the financial statements                    | 17,850     | 16,267     |
|  | 17,850     | 16,267     |

### 25 EVENTS SUBSEQUENT TO BALANCE DATE

During the financial year the Covid-19 pandemic has had a significant impact on the local and international economies. Subsequent to balance date, Victoria has experienced further outbreaks which is the jurisdiction in which The Argyle Trust operates. While the costs currently incurred by The Argyle Trust in relation to Covid-19 have not been significant, the longer term impacts on the operations of The Argyle Trust remain uncertain and cannot be quantified at this time.

In July 2022 the Trust made an investment of \$120,000 in ordinary shares (4,000,000 shares at 3.0c p/s) issued by ASX listed company Leaf Resources (ASX: LER). As part of the deal the Trust received 1 free call option for every 2 shares purchased with an exercise price of 4.5cps and an expiry date of 31 August 2023.

In August 2022 the Trust agreed to participate in a convertible note issue announced by Smartz A.G. to the amount of \$300,000.00. Under the terms of the agreement the notes mature in April 2023 and accrue interest at an interest rate of 5.0%.

In preparation for the new AN-ACC funding (which takes effect 1 Oct 22) the group has participated in shadow assessments of its residents and has assessed the impact of future funding to the business.

At reporting date based on an estimate of future subsidies available and shadow assessment data the Trustee believes the new AN-ACC model will have a revenue favourable impact on the group.

Since the end of the financial year, the Director is unaware of any other events subsequent to balance date which could materially impact upon the financial position of the entity or any of its associates.

### 26 KEY MANAGEMENT PERSONNEL

The Trust provides no compensation to its director or other key management personnel. All such compensation is provided by Residential Aged Services Pty Ltd.

**The Argyle Trust**  
**ABN 37 347 620 876**

**Director's Declaration**

In the director of the Trustee Company's opinion:

- the attached financial statements and notes comply with the Australian Accounting Standards – Simplified Disclosures;
- the attached financial statements and notes give a true and fair view of the Group's financial position as at 30 June 2022 and of their performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the Group will be able to pay their debts as and when they become due and payable.

Signed in accordance with a resolution of the Director of the Trustee Company

On behalf of the Director of the Trustee Company

Peter T Reilly  
Director of the Trustee Company

Dated this day 27th October 2022

## Independent Auditor's Report

### To the Members of The Argyle Trust

#### Report on the audit of the financial report

##### Opinion

We have audited the financial report of The Argyle Trust (the 'Trust') and its subsidiaries (the 'Group'), which comprises the consolidated statement of financial position as at 30 June 2022, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Directors' declaration of the Trustee Company.

In our opinion, the accompanying financial report of the Group:

- a presents fairly, in all material respects, the Group's financial position as at 30 June 2022 and of its performance and cash flows for the year then; and
- b complies with Australian Accounting Standards *AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities*.

##### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Group in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

ACN-130 913 594

---

Grant Thornton Audit Pty Ltd ACN 130 913 594 a subsidiary or related entity of Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389. 'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Australia Limited is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate one another and are not liable for one another's acts or omissions. In the Australian context only, the use of the term 'Grant Thornton' may refer to Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389 and its Australian subsidiaries and related entities. Liability limited by a scheme approved under Professional Standards Legislation.

### **Responsibilities of management and those charged with governance for the financial report**

Management are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - *AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities*. This responsibility also includes such internal control as management determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

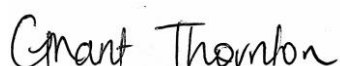

In preparing the financial report, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

### **Auditor's responsibilities for the audit of the financial report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: [http://www.auasb.gov.au/auditors\\_responsibilities/ar3.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar3.pdf). This description forms part of our auditor's report.
